## DETAILED ACTION

### *Election/Restrictions*

1. Applicant's election without traverse of compound D-12 in the reply filed on 4/30/2007 is acknowledged.

### *Claim Rejections - 35 USC § 112*

2. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

3. Claims 33-34 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

The limitation **"wherein the compound comprises a single blocked developing agent"** is indefinite in that it fails to clearly delineate the metes and bound of the claim. The claimed genus appears to be self-contained. Therefore, it is unclear as to what compounds would be excluded by the phrase **wherein the compound comprises a single blocked developing agent.** Appropriate correction is required.

### *Allowable Subject Matter*

4. Claims 35-38 are allowed.
5. Claims 33-34 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.
